

# Forest Fairy Paper Dolls

The Daffidillio Dispatch is proud to present the Christmas Paper Doll Dresses Supplement as an addition to the Paper Doll Supplement of our 2020 Thanksgiving Issue No. III, as advertised in Issue No. IV of our newsletter.

All five dresses are particularly striking and finely detailed, inspired by such objects in nature that we tend to associate with the Christmas season, such as mistletoe, holly, poinsettias, and snowflakes (pictured above). Each outfit will fit the corresponding doll from our previous supplement. They also include such accessories as matching caps and headbands.

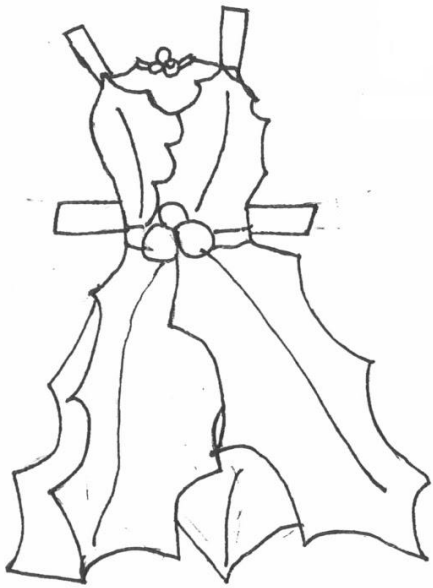

## Instructions:

Print the dresses onto standard copy paper, and cut out. The paper doll outfits have been left without color, so that you may customize them to your individual tastes.

We hope you enjoy these special and uniquely crafted Forest Fairy Paper Dolls!
